¹ Figures for 2019 are preliminary. Data will be finalised in mid-2020. Also, see note on page 37.

² There has been a reassessment of how gender figures have been classified. As such, the data has been recomputed to reflect these changes retrospectively.

Female and male percentages may not add up to 100 per cent as persons classified as X (indeterminant, unspecified, intersex) are not included.

³ EFTSL figures will not add up due to the exclusion of Enabling load from the detailed rows. EFTSL = equivalent full-time student load.

⁴ Commonwealth funded load comprises Commonwealth Grant Scheme (CGS) load, Research Training Program (RTP) load and extended domestic postgraduate research load. Note that RTP now includes load that was previously classified under the Research Training Scheme (RTS).

⁵ FTE = full-time equivalent. Data excludes casuals. Note that Total Staff FTE (including estimated casuals) for 2019 is 7579 and is preliminary.

⁶ The staff classifications shown here align with the reporting of data to the Department of Education.

⁷ There may be slight changes in historical data due to improvements made in UQ's reporting systems.

⁸ Revenue received for the teaching of the undergraduate student load.

⁹ Revenue received from fee-paying students.

¹⁰ Revenue consists of funding through the Research Training Program and Research Support Program.

¹¹ Revenue includes capital grants and research funding from Australian Research Council and National Health and Medical Research Council.

¹² Revenue includes non-government competitive grant research funding.

¹³ Revenue includes investment income, donations and scholarships, other fees and charges, and sales of goods and services.

¹⁴ UQ transferred its Ipswich campus to the University of Southern Queensland (USQ) on 7 January 2015.
