

ORGANISATION

Professor Zhiguo Yuan from the Advanced Water Management Centre, whose work on sewer corrosion prevention—patented through controlled entities UniQuest Group/Cloevis Pty Ltd—could help solve an ongoing multi-billion-dollar problem worldwide.

Basis of authority

The University is a body corporate governed by the *University of Queensland Act 1998*, as amended (the 'Act'). The University was founded in 1910.

Functions

The University:

- disseminates knowledge and promotes scholarship
- provides education at university standard
- provides facilities for and encourages study and research
- encourages the advancement and development of knowledge and its application
- provides courses of study or instruction (at levels of achievement Senate considers appropriate) to meet community needs
- confers higher education awards
- provides facilities and resources for the wellbeing of staff, students and others taking courses at the University
- exploits commercially, for the University's benefit, university facilities and resources such as study, research or knowledge belonging to the University (or their practical applications), whether alone or with someone else
- performs other functions given to the University under the Act or another Act.

Powers

The University has powers outlined more fully in the Act.

Controlled entities

In accordance with the *University of Queensland Act 1998*, the University has established controlled entities that further the University's educational and research aims.

Financial statements are prepared by each entity and audited by the Queensland Audit Office. They are then included as part of the consolidated result in the University's annual financial statements.

At 31 December 2016, the University operated the following controlled entities:
